We raised MORGAN's monthly benefit amount beginning July 2020 because benefits to another entitled person stopped.

Health Insurance For Children

If this notice is for a child under age 19 who is not covered by health insurance, there is a Children's Health Insurance Program that may help. To find out more, you can look on the Internet at www.insurekidsnow.gov or call, toll free, 1-877-KIDS-NOW (1-877-543-7669). The number connects you to your state program.

Other Social Security Benefits

This benefit is the only benefit she can receive from us at this time. In the future, if you think she might qualify for another benefit from us, she will need to apply again.

Your Responsibilities

MORGAN's benefits are based on the information you gave us. If this information changes, it could affect her benefits. For this reason, it is important that you report changes to us right away.

We have enclosed a pamphlet, "What You Need To Know When You Get Retirement Or Survivors Benefits". It tells you what must be reported and how to report.

As a representative payee, you have additional responsibilities. They are discussed in the enclosed pamphlet, "A Guide For Representative Payees." If you have any questions related to your duties as a representative payee, we invite you to visit our website at www.socialsecurity.gov/payee on the Internet.

Your Benefits May Be Taxed

You may have to pay taxes on the benefits you get from us. Part of your Social Security benefits may be taxed if:

- you are single and your total income is more than \$25,000 or
- you are married and you and your spouse have total income of more than \$32,000.

You can decide if you want to have federal taxes withheld from your benefits. If you want taxes withheld, you need to complete and return a Form W-4V, Voluntary Withholding Request. You can get Form W-4V from the Internal Revenue Service by calling 1-800-829-3676. You can also get this form at www.socialsecurity.gov/planners/taxes.htm on our website. After you complete and sign the form, return it to your local Social Security office by mail or in person.

You can find more information on paying taxes in the enclosed pamphlet, "What You Need To Know When You Get Retirement Or Survivors Benefits".
