You are entitled to a monthly child's benefit for January 2020 through June 2020.

What We Will Pay And When

We pay Social Security benefits for a given month in the next month. For example, we pay Social Security benefits for March in April.

- You will receive \$6,006.00 around June 9, 2020.
- After that you will receive \$433.00 for June 2020.
- The day of the month you receive your payments depends on your date of birth.

We Can Only Pay You For A Short Time

You are no longer entitled to Social Security benefits beginning July 2020. Your benefits are stopping in that month because:

- you are not a full-time elementary or secondary level school student, and
- you are not disabled.
